# The advantages of SHINNOKI

*We only use premium timber from sustainable forests, out of which our master craftsmen have the first pick, guaranteeing you the most exclusive aesthetic for your interior. After careful selection, they seamlessly joint the bundles, resulting in a uniquely curated sheet. Whether you are using wood as the star of your interior, or as a timeless backdrop to complement your furniture and accessories, our wide selection of veneers and looks ensures that there is a Shinnoki for you.*

## THE FINISHING TOUCH

*Optimized, state of the art techniques deliver a soft-touch, and deeper brushed wood experience, making Shinnoki the softest wood on the market. Our new, super mat finish amplifies the beauty and warmth of solid wood, while deep brushing enhances the authentic texture of each grain. Your interior has never been closer to nature.*

## SCRATCH RESISTANT

*Our panels are as sturdy as they are stylish. Our best-in-class finish is the result of a six-layer varnishing process that provides our ultimate protection against micro scratches without compromising on touch, color, and look.*

## PROTECTION AGAINST SPILLS

*Extensive research and development has led to enhanced protection against liquids, making Shinnoki panels a go-to option for horizontal use\*. Our advanced finishing technology penetrates the pores of every Shinnoki panel, ensuring protection against drips and spills.*

## PREMIUM CRAFTSMANSHIP

*Our artisanal manufacturing process employs a unique mixmatch technology, creating a harmonious surface out of choice cuts of veneer, without compromising on quality.*

## THE UNIVERSAL ALLURE OF QUALITY

*Shinnoki is Decospan's recognition of the magnificence of trees and the natural world. Each panel is a homage to wood and craftsmanship, combining tradition, modern technology, and attention to detail. It is nature at its finest.*

## A LOOK FOR EVERY TASTE

*Shinnoki offers a curated collection of contemporary, classic tones that will effortlessly fit any palette or style that your project requires.*
